asserticed to Angele Gaddi.

Nicolo I count's "Condrillon," produced in 1810, and which was found so we k that it had to be reserved in 1810 by Adam, was revived at the Opera Comingo last Leeday.

LADY TREVOR'S SECRET.

IN THE BLACK FOREST In the midst of the Black Forest, in Germany, ites hidden the picturesque village or Zoriis. The principal building in the village is the lit-tle wooden Lutheran church, the only house of

The pastor of this church, a year or two ago, was Hert Brocken, or Father Brocken, as he was affectionately called by his people. He was a kindly, simple-hearted man.

Here he had dwelt twenty years, the father, the pastor and guide of his simple people; here his wife had recently died; and here he hoped to be buried. He was callidless, his family consisting of an old housekeeper and a young girl known as his nices.

the a contenso bringing with her always warmth and sun-bine.

One alternoon in June, at the time we have incleated, our beroine, after making a call upon a rick clo woman, began the ascent of the steep hill in the direction of the parsonars. When half way up the slope she turned assist into the parsonar in the steep hill in the direction of the parsonars. The particular weights her break bringship at the sawy pace, winging her break bringship at German song in a west voice that areased the birds to emulation. She was about seventees years of age, tail, and yet more unmutakably benglish, and yet more unmutakably particlas. This girl, with her wonderful beauty, which are the particles of the steep his particles of the steep his particles of the steep his particles. The particle of the steep his particles of the steep his

The sorrow in her sweet eyes robbed him of his self-control. He caught her to his breast and showered kines on her pure young faces in an irropressible agitation. Then, gently putting her from him, he wrang the pastor's hand and An hour, later Lerd Olenham and Mailred Crafton left Zerlitt on their way to England, the latter promising to himself a speedy and secret return.

return.

That evening, es the good old pastor sat alone in his study, meditating ujon, the great event of the day, the door oppored and old Greishen came in, bearing in one hand a lighted camble, in the other a small packet upon which was impressed the London pertuark.

The justing to open the packet as soon as Greishen tall retired. Two English bank notes

In, hearing in one hards a rightest care. In the citier a small packet whom which was impressed the Lacedon yestuark.

The content was a small packet as a som as a first other had retired. Two English bank notes felt upon his knee, and a folded sheet of gaper, upon which he saw handwriting, followed them. The eld scholar righted, recoiling, his geatle face, growing troubled and perplex first letter I. "A letter" be muttered. "The first letter I have received fifty pounds from him every year, but never a serap of writing before. What has he can be seen to be cleared away at last the mysterious letter, a letter of the server of the himself to stand upon the threshold of the solution of the strange mystery of Geelf's origin. A blur obscured his vision. He removed his spectacles and wiped them with a trembling hand. Then he specad out it as sheet competer. Its eager old cree fairly devorring its other than a surface of the site of the server of

of paper, his eager on contents.

The inter, as he noticed after reading it, was written upon plain white paper, without watermark or imprint of any sort whatever. The handwriting was course and slanted backwards, with evident attempt at disguise. There was no date to the letter, which was as follows:

"Ham Haccume: It is no wieurteen years since the whom he had the namelees child whom?

money?" relanced at the two bank-notes on dear; it is not any fear of powerty that is me, he said gently. "I feel strangely I realise to night that I am growing old, not live another year, and there are times ght to know. I will tell them to you beelf, this handsome English lord assed fay lor my consent to address you are your

The girl blushed and paled, and her eyes glowed with a wift and dazsling splender. "What did you say, uncle?" she witspered, after a little pause.
"I hade him writ a year. I told alm that you res me!" Ceetl said to her

within him. At last a look of decision settled upon his careworn features, and with his trembling hand resting on Cacil's head he told her her history as far as be knew it. He also informed her that he had told it to Lord (Fishham, and that it seemed to make him love her all the more. He than handed her the letter from her with nown. He than handed her the letter from her with nown claim. But here looked ringularly worn and sorrowful in the dim light, and there was a wearlower in the drosping features that told of extreme physical weakness. No one marked the rapid change of expression in the young face at his lines, the passionate anguish in the sweet eyes, the tame flues about the lovely mount, the bitterters, horror and despair indicated in all her perfect features did all her her refet features did all her her to the letter of the sweet of the time of the sweet of

in year pocket. It may prove a clue some day." Bie took from the desk a small packet, which he opened.

The provides of the state of the provides of your coming here, he said, "and here it it. We both signed it. And the good wife, who was clever with her penell, made that night, after your gukrdian's departure, a sketch of his face. However, the said of the state of the said studied it, feeling a quiek sense of the ward it.

'Do you think that he was my father?' she might

wards it.

"Do you think that he was my father?" she asked.

"The good wife thought not. Hut he might have been. Men can be very cruel to their own fiesh and bood when they are supermely solith. Keep the picture, dear. And now, Cocil, we must check the self-dear beede him, and he laid his hands on her head and bisseed her. Then he embraced her tenderly as she rose, and dismissed her.

The old pactor leaned back in his chair. His long, reanty looks fell around his vanetable face, and he septiled drooped wearily. So himself, we without seeming to realize his words. "I seem to have the gift of second-sight to sught, A terribe little in great she for her. Four Hitle one! God sheld her; was before her. Four Hitle one! God sheld her; had been supported by the morning dawned he still sat in his easy chair, but his head was thrown back, the grante smile was frozen on his features, which were right smartle.

The old paster had gone to join his good with

deed alone, and without a guide in the worth. But old Gretches and at the neighbore eminated and Gretches and at the neighbore eminer had ended, and the affairs of the pastor's estate had been settled, she had recovered her accurate, which was to go to England, accompanied by Gretchen, and see if she could not find some traces of her family. As they set out, old Gretchen, leoking back at the forest village through her tears, muttered:

"I hope that we shit rushing straight into trouble." And yet a creeping feeling comes over could read the future." The above we publish as a specimen chapter; but the continuation of this story will be found only in the New York Ledger. Ask for the number dated March 3, which can now be had at any news office or bookstore. If you are not within reach of a news of new your can have the Ledger malted to you for one year by sending three dediars to Robert Homer, publisher, 180 William street, New York.

Laby Travock's Secret continued story in the New York Ledger of March 3, has been received.
